

# A Prayer for our Children

BILL WINS

Father God, I thank you for your promise to me as the seed of Abraham, to bless my children and all my descendants. Help us to provide the guidance, upbringing and biblical teachings that will provide for them an unshakeable foundation for life. I pray they all will get born-again early in life, and will develop a godly character. Help them to excel academically and to respect authority. I pray that they are all taught of the Lord, and great is their peace, safety and security. Surround them with friends who fear the Lord. Keep them morally and sexually pure. Give them wisdom in every decision to know and do your will.

I pray they will be rooted and grounded in the truth. Make them leaders and world changers, ambassadors of the Kingdom of God, bringing Christ and the Kingdom culture to their peers and to their

(continued on the other side)

generation. Inspire them to achieve with excellence and to take a stand for noble causes. I pray they will be strong and of a good courage. I pray they will have a biblical world view and hold fast to their profession of faith without wavering. Help them to develop and excel in the gifts you have placed within them.

Thank you for pouring your Spirit upon my seed and your blessing upon my offspring. Give them a love for you, for others, and for your Word. Help them to overcome every obstacle by faith in God.

Grant them favor and bless them with good success throughout their lives. I pray for their marriages, families, careers and service endeavors, that they all be according to your will and purpose for their lives. May the fruit of the Spirit within them always prevail over the works of the flesh. I pray your anointing will always be upon them, keeping them on the right path and preventing ungodly yokes and burdens. Deliver them from all temptation and evil, and I pray they will live for you all the days of their lives. Protect them from every force in their environment that would lead them to sin and draw them away from you. I plead the blood of Jesus over them and all their possessions and pray your angels will preserve and keep them in all their ways. Keep them safe wherever they go for Christ has redeemed them from all hurt, harm, danger, accident and evil. For all these blessings I give you thanks and praise, in Jesus' Name, Amen!
